Chief/G

Chain of Command, GRA Emergency Plan

1. The chain of command for the Geographic Research Area Emergency Team is as follows:

25X1A9a

2. In the event of an emergency, and providing none of the above-mentioned individuals get to the relocation center, it would be anticipated that established authority at the center would seek out GRA Emergency Team members who arrive and name one to assume direction.

25X1A9a

Distribution:

O&1 -- Addressee

1 -- Chairman, GRA War Plans Task Force

2 -- Ch/G
